> How did I get myself into this? I ask myself, as I step off the plane ride from the deepest pits of Hell. I look around for my cousin, Realeana my worst nightmare that had been for 18 years. I could see her from a mile away, for she was wearing a bright orange and yellow sleeveless shirt with neon blue jeans (think NEON BRIGHT BLINDING color). She had her long hair done in millions of braids. Whenever I visit Realeana insists that I get my hair hacked off. When she saw me she held up a pair of keys. I gulped, she had gotten her muggle drivers license. She dragged me by the shirtsleeve to get my luggage. I didn't bring much because she also literally drags me out to get new "In" clothes instead of all black.

> I found my cousin, Severus whom I just call Ray. As I held up my keys to my new car, I saw Ray pale even more if that was humanly possible. I just laughed at the look on his face. When I finally got to him, I said "Heya, Ray we're gonna have FUN this week!" Ray is staying half of the summer. I dragged him down to get his luggage. This should be good, I thought to myself as I watched him walk. He had a smooth gliding stride, _when Mark and Joey are done with him he's gonna be limping. _I thought to myself then I actually said was "HEHE! Just wait till you meet some of my friends" When I saw Joey and Mitch walk up behind him I motined for them to puit Joey's hand on Ray's shoulder. I think he thught it was my hand because he spund around and smacked right in to Joey. Ray gave a high

whimper, probably because Joey is about 6 ft 6 in and muscular. "Hey, you trying to hurt my girl?" he asked the terrified Ray. "Ah, Joey, lay off he's my cousin, don't hurt him. Too much." I added with a smirk on my face.

> Oh, I was terrified when I spun around and faced a guy's chest. I looked up and saw Raeleana looking at me with no innocence at all, I gave her a glare that would have sent a student running in terror but she just motioned to someone. I soon found out that that someone was about as tall as I and a little more muscular. I was still terrified. "Hey Ray!" Raeleana called. "Come here!" She yelled. I was glad she chose that moment because I was sure I was going to be pounded. "Joey wanna come?" She yelled to him. "Sure!" Yelled back. Now I was sure that I was to be injured to the point of broken bones. I had not spoken to this 'Joey' yet and I was pretty sure he would either mock me out or kill me for my accent so I just kept quiet. "Ray, say something!" Raeleana said to me. She dragged me off to a secluded spot. "why won't you talk?" she asked me. "Well, for starters he would probably kill me for my accent." I said. "well, try I warned him about your little accent. You can talk in Welsh if ya want to only I can understand you."she said with genuine sincerity on her face. "I'll try english"
